Your plan amendment concerning the temporary road and the portable screen test is approved subject to the following conditions:

1. The portable screen test is authorized for no more than 30 days, which shall begin when the portable screen enters the property. The San Rafael Area Office shall be notified within 48 hours of the time the portable screen is placed at the mine site.
2. The use and storage of the portable screen shall be confined to disturbed areas included in the authorized plan of operations.
3. All other conditions shall continue to remain in force.

You have the right to appeal to the Utah State Director, Bureau of Land Management, in accordance with 43 CFR 3809.4. If you exercise this right, your appeal, accompanied by a statement of reasons and any arguments you wish to present which would justify reversal or modification of the decision, must be filed in writing within 30 days from the date of this decision.
